

OS4 OpenLinux

OS4 Enterprise Linux

Operating Systems

OS4 Enterprise Linux
Red Hat Enterprise Linux
Oracle Linux

Processor family

Processor: AMD Turion™ II Model Neo N54L
Number of processors: 1
Processor cores: 2

Memory

Standard memory: 8GB UDIMM
Maximum memory: 8GB
Memory slots: 2 DIMM slots
Memory protection: Unbuffered ECC

I/O

Expansion slots: (3) PCIe
For detail descriptions reference the QuickSpec
Network controller: 1Gb NC107i Ethernet Adapter 1 Port per controller

Hard drives:
1TB

Storage controller

Storage controller: (1) Integrated 4 port SATA RAID

Power supply

Power supply: (1) 150W non-hot plug, non redundant power supply kit Multi-output

Rack height

Rack height: MicroServer
